The Alliance Pharmacy Supports the American Thrombosis and Hemostasis Network (ATHN) Data Collection Programs

Westbury, NY— September 9, 2013 — The Alliance Pharmacy (TAP), announced a \$100,000 grant to the American Thrombosis and Hemostasis Network (ATHN) to support its Data Quality Counts Program, Safety Surveillance, and Research initiatives to assist Hemophilia Treatment Centers without adequate resources continue to collect and maintain quality data in a standardized format.

Stephanie Gustafson, Board member of the Alliance Pharmacy commented, "The Alliance Pharmacy is pleased to support ATHN and its mission of advancing knowledge and transforming care for patients with bleeding and clotting disorders through its national health database".

"ATHN is grateful to The Alliance Pharmacy for this generous support," said Diane Aschman, President and CEO of ATHN. "It is impressive that this 501(c)(3) pharmacy provider, in business for a short time, is so committed to the community that they have chosen to support the work of ATHN. This will allow us to continue the ATHN Data Quality Counts program, support research and provide the critical funding to treatment centers across the U.S."
